WORK EXPERIENCE

BAIN & COMPANY

Incoming Associate Consultant

Associate Consultant Intern

Chicago, IL

Starting Summer 2023

June 2022 – August 2022

- Developed a robust Excel market model to find the total addressable market for the global chatbot artificial intelligence market
- Examined the growth drivers of the chatbot AI market against the target's growth to determine the investment feasibility
- Analyzed a target's competitive positioning, revenue growth opportunities, and geographical expansion to the European entertainment market
- Spearheaded the financial data (annual reports, analyst reports, earnings calls) to assess a target's performance in its competitive set

MOBIUS CAPITAL PARTNERS

Quantitative Data and Investments Intern

London, England

June 2021 – August 2021

- Constructed a global emerging markets equity portfolio focused on companies' cultural excellence, analyzing the performance of this portfolio compared to the MSCI Emerging Markets Index through in-depth market research and differentiating factors of workplace culture
- Synthesized research findings into a published 45-page report detailing the landscape scan, methodology, and data analysis of the global emerging markets equity portfolio to formulate a positive correlative conclusion between top company culture and equity performance

LOOKTHROUGH

Business Development and ESG Data Intern

Zürich, Switzerland

January 2021 – May 2021

- Developed 50+ AI compatible survey questions and dependencies for ESG data collection, aligned with sustainability frameworks
- Built and presented a competitor analysis deck profiling 12 companies and general trends in the ESG data and green real estate industry
- Wrote 10+ ESG and green real estate research-focused articles published on Lookthrough's website, LinkedIn, and Medium blog

CLERMONT PARTNERS

ESG Research Intern

Chicago, IL

November 2020 – January 2021

- Researched and analyzed 120+ companies within the Aerospace and Defense, Food Products, Energy, and Electronic Components industries through sustainability metrics (SASB, GRI, TCFD) and financial documents (10-Ks, proxies, and earnings calls) for the ESG Infinite Matrix

LEADERSHIP/ACTIVITIES

UCHICAGO IMPACT INVESTING GROUP

Chairman

Co-President

Chicago, IL

February 2022 – Present

April 2021 – February 2022

- Manage and delegate tasks to 3 co-presidents and 17 directors while overseeing operations, logistics, and exhaustive vision of a 40-person club
- Led the full 2021-22 planning and execution process of 7 10-week pro-bono consulting projects centered around impact investing and ESG
- Spearheaded the expansion of UCIIG's network, establishing its internal and external presence and connections through networking calls
- Researched CDFIs focused on healthy, fresh food for Avivar Capital's client, culminating in an investment pipeline Excel deliverable and a PowerPoint centered around the challenges and opportunities, average loan size, estimated loan demand, and potential end borrowers

PHOENIX FARMS

Chair of Directors, Non-Profit Board Member | NFP Liaison, Club Board Member

Chicago, IL

October 2019 – Present

- Execute a food forest within the Southside to provide sustainable produce for community members as well as a pollinator habitat for bees
- Wrote and secured a four-figure Harvard CBE Sustainability grant allocated towards bees, hive boxes, and local flora for the food forest
