## WORK EXPERIENCE

---

### BAIN & COMPANY

*Incoming Associate Consultant Intern*

Chicago, IL

*Starting June 2022*

### MOBIUS CAPITAL PARTNERS

*Quantitative Data and Investments Intern*

London, England

*June 2021 – August 2021*

- Constructed a global emerging markets equity portfolio focused on companies' cultural excellence, analyzing the performance of this portfolio compared to the MSCI Emerging Markets Index through in-depth market research and differentiating factors of workplace culture
- Synthesized research findings into a 27-page to-be-published report detailing the landscape scan, methodology, and data analysis of the global emerging markets equity portfolio to formulate a positive correlative conclusion between top company culture and equity performance

### LOOKTHROUGH

*Business Development and ESG Data Intern*

Zürich, Switzerland

*January 2021 – May 2021*

- Developed 50+ AI compatible survey questions and dependencies for ESG data collection, aligned with sustainability frameworks
- Built and presented a competitor analysis deck profiling 12 companies and general trends in the ESG data and green real estate industry
- Wrote 10+ ESG and green real estate research-focused articles published on Lookthrough's website, LinkedIn, and Medium blog

### BOUNDLESS IMPACT RESEARCH AND ANALYTICS

*Impact Investing Research Intern*

New York, NY

*January 2021 – April 2021*

- Wrote 2 industry briefs on Alternative Milk and Alternative Food Preservatives focused on industry overviews, trends, and emerging startups
- Reconstructed the matrix of 500+ sustainability-focused experts to link to Boundless's taxonomy of industries, sectors, and technologies

### CLERMONT PARTNERS

*ESG Research Intern*

Chicago, IL

*November 2020 – January 2021*

- Researched and analyzed 120+ companies within the Aerospace and Defense, Food Products, Energy, and Electronic Components industries through sustainability metrics (SASB, GRI, TCFD) and financial documents (10-Ks, proxies, and earnings calls) for the ESG Infinite Matrix

## LEADERSHIP/ACTIVITIES

---

### UCHICAGO IMPACT INVESTING GROUP

*Co-President*

Chicago, IL

*October 2020 – Present*

- Lead the full planning and execution process of members' 10-week pro-bono consulting projects centered around impact investing and ESG
- Manage and delegate tasks to 5 directors under the Professional Development/Outreach vertical and oversee operations of a 40-person club
- Spearhead the expansion of UCIIG's network, establishing its internal and external presence and connections through weekly networking calls
- Researched CDFIs focused on healthy, fresh food for Avivar Capital's client, culminating in an investment pipeline Excel deliverable and a PowerPoint centered around the challenges and opportunities, average loan size, estimated loan demand, and potential end borrowers

### PHOENIX FARMS

*Chair of Directors, Non-Profit Board Member | Publicity Director, Club Board Member*

Chicago, IL

*October 2019 – Present*

- Execute a food forest within the Southside to provide sustainable produce for community members as well as a pollinator habitat for bees
- Wrote and secured a Harvard CBE Sustainability grant allocated towards bees, hive boxes, and local flora for the food forest
- Develop social media presence on Instagram, manage recruiting, and design and promote flyers for weekly club events to Facebook
